Subject: Pavillion Phase V data
[Pavillion Apr2012 QA Summary v2.7.4 9-24-2012.xlsx](#)

Dave and Jeff, since Greg is on travel this week, wanted to send on the spreadsheet of Phase V data so that you can begin having ESAT put it into SCRIBE. Most immediately, though, we need you to generate individual data reports for each of the drinking water wells sampled so we can provide those to well owners. The sample IDs for the six drinking water wells are: PGDW05, PGDW20, PGDW23, PGDW30, PGDW50 and PGPW02. You can call me or Greg (c) (b)(6) privacy [phone #] if you have any questions. thanks.
